**1. COSSBA Policy Priorities**

**FUNDING**

**ED TO PROVIDE OVER \$6M IN FUNDS TO SUPPORT SCHOOL SAFETY**

On August 19, the Department of Education (ED) **announced** that it will award more than \$6 million to Local Educational Agencies (LEAs) impacted by community violence through Project Prevent Grant Program funds. This funding will provide schools the necessary resources to combat community violence and ensure a safe learning environment for students, families, and educators. Specifically, these grants will help LEAs increase student access to mental health services; support conflict management programs; and implement other community- and school-

based strategies to help prevent community violence and to mitigate the impacts of exposure to community violence.

## **CHILD NUTRITION**

### **USDA Issues Helpful Reminders for Your School Lunch Prep**

*U.S. Department Of Agriculture* (August 17, 2022)

The U.S. Department of Agriculture (USDA) published advice on school lunches to help parents and caregivers safely prepare to-go meals.

### **Webinar: Back to School Success with Team Nutrition’s Menu Planning Tools and Resources** (Wednesday, August 31, 2022)

This informational webinar will highlight Team Nutrition’s many tools and resources to enhance your knowledge of school menu planning and school nutrition operations.

## **2. In Brief – Last Week in Washington**

### **CDC RELEASES MONKEYPOX GUIDANCE FOR SCHOOLS, EDUCATION PROGRAMS**

On August 19, the Centers for Disease Control and Prevention (CDC) **released** a new resource for educators related to monkeypox. The new resource page answers frequently asked questions about monkeypox for administrators and staff of K-12 schools, early care and education (ECE) programs, camps, and other community settings serving children or adolescents (for example, sports leagues and after-school programs). However, the agency asserts that at this time, the risk of monkeypox to children and adolescents in the U.S. is low, and this information may be helpful to parents who have questions about monkeypox as well.

**CDC will host two webinars** to share information on the resource and take questions:

- Monday, August 22 at 2pm ET: Webinar for **early childhood education (ECE) partners.** **Join here.**
- Monday, August 22 at 3pm ET: Webinar for **K-12 educators will be held from 3:00 - 3:30 PM ET.** **Join here.**

## **3. New Publications**

### **Preparing Young Children for School: Educator’s Practice Guide**

*Institute of Education Sciences* (August, 2022)

This practice guide, developed in conjunction with an expert academic **panel**, distills contemporary early childhood and preschool education research into seven easily

comprehensible and practical **recommendations**. The guidance will help to prepare young children to benefit from the learning opportunities they will encounter in school.

### **Survey of America’s School Leaders and High School Students**

*National Association of Secondary School Principals (NAASSP) (August, 2022)*

This nationally representative survey, designed by school leaders and students, explores the opinions of principals, assistant principals, and high school students on the challenges of leading and learning at school as well as their thoughts on mental health, school safety, and how to better meet the needs of all learners.

### **Evidence-Based Practices for Recovery and Renewal**

*Institute of Education Sciences (August, 2022)*

The Department of Education’s Institute of Education Sciences (IES) launched a new site, **Evidence-Based Tools for Renewal and Recovery**, to help states, districts, schools and institutions of higher education in their use of evidence-based practices during this period of recovery and renewal to improve outcomes for all learners, especially those that education systems have historically underserved. The two newest resources support **Out of School Time** (OST) learning and **Data Science**. These checklist planning tools will help educators and administrators better implement programming based on evidence.

### **FAQ: Elementary and Secondary School Emergency Relief (ESSER) Fund and Governor’s Emergency Education Relief (GEER) Fund**

*U.S. Department of Education (August, 2022)*

The Department of Education (ED) issued an FAQ supplement on using the Elementary and Secondary School Emergency Relief (ESSER) Fund and the Governor’s Emergency Education Relief (GEER) funds, which outlines allowable uses of ESSER and GEER funds by State educational agencies (SEAs) and local educational agencies (LEAs). This FAQ is intended to supplement the questions in the **ESSER and GEER use of funds guidance** published in May 2021.

### **Fact Sheet: Back to School 2022: Giving Every School the Tools to Prevent COVID-19 Spread and Stay Safely Open All Year Long**

*The White House (August, 2022)*

This new White House fact sheet lays out key guidance and supports for protecting students, employees, and school communities this upcoming school year, including: Using COVID-19 vaccines and boosters as the first line of defense to protect in-person learning; providing robust access to COVID-19 testing at schools to help detect infection early; and improving indoor air quality throughout school buildings.

### **Safeguarding Students’ civil Rights, Promoting Educational Excellence**

*U.S. Department of Education, Office for Civil Rights (OCR) (July, 2022)*

This report covers topics including the application of Federal civil rights laws to both remote and in-person learning during the pandemic; addressing the obligations of schools, public agencies, and postsecondary institutions to students and children with long COVID; and clarifying OCR’s interpretation of schools’ existing obligations under the 2020 amendments to the Department’s Title IX regulations.
