Delegate Nominations for the 2023-2024 MSBA Delegate Assembly

Please see next page for an election timeline and key dates for Delegates.

The next MSBA Delegate Assembly election process for school board members will get underway in August — for two-year terms covering 2023 and 2024.

- Elected school board Delegates meet each December to vote on legislative resolutions submitted by school boards and individual school board members.
- The resolutions that receive a majority vote at the Delegate Assembly become the basis for MSBA’s legislative platform and lobbying efforts on behalf of all Minnesota’s public school boards.

Nominations and Self-Nominations

MSBA is seeking nominations (and/or self-nominations) from current school board members. All school board members will be sent an email notice in early August — which will give them the opportunity to submit nominations or self-nominations for the Delegate Assembly.

Board members will have until Thursday, August 31, to submit nominations.

See the next page for the Delegate Election and Service Timeline
